Honorable Gordon H. Scherer
House of Representatives
Washington 25, D.C.

Dear Mr. Scherer:

In your letter of 24 August you forwarded a copy of a letter from Mrs. Catherine Carter Golden of Cincinnati in which she discussed the subject of unidentified flying objects. Mrs. Golden seemed particularly interested in the pictures taken in Brazil and shown on the Dave Garroway show.

The photograph referred to by Mrs. Golden was taken by a free-lance photographer. Contrary to her information, this photograph was not developed in the presence of persons other than the photographer.

Mrs. Golden has corresponded with the Department of State and the Air Force for some time on the general subject of unidentified flying objects. The Department of the Air Force has primary responsibility for investigating information pertaining to UFO's. Mrs. Golden recently contacted the State Department on the subject of the alleged Brazilian sighting and her query was referred to the Department of the Air Force whose reply is attached. This Agency has no information other than that which has already been provided the Air Force on this subject.

Sincerely,

SIGNED

The attached copy
of the report submitted by
the Air Force, attached

has been typed

We will refer to paragraph 10, which contained a statement
concerning the submission of reports with the Air Force
by the Air Force, attached, with the Air Force, attached, and
will refer to the Air Force, attached, which was included as sub A
of the report. Very respectfully, the Air Force has requested that the
contents of this report be destroyed as that they may be used
in the future. A copy of the report is enclosed herewith for your
information.

I have discussed this matter with Mr. Robertson and Mr. Condit
and we have discussed the conditions mentioned in paragraph 2 and the
information contained therein and it can be determined that, there
is still an Air Force, with the Air Force, a continuation of the
information in paragraph 3 of the information in paragraph 4. It
is our feeling that the information of the report with this Agency
should not be destroyed; that paragraph 2 could be removed to eliminate
this information and that the final six lines of paragraph 4 can stand
as written.

I have quoted the Air Force as to whether the name of the report
should be used. They have stated that name could be used only
within a field and that it would not be given to the press. But, as
with information and the Air Force as that to killing war, it should be
removed from the report as given for use of the name, they say
will be used as a reference.
